

## Hall of Famer Larned Remembered

Our sincere condolences go out to the Larned family as USA Softball of Metro Detroit Hall of Famer **Shelley Larned (1998)** passed away on January 15.

Shelley pitched for class A Daly Restaurants of Livonia making a remarkable 314 appearances en route to an impressive 230 wins and only 50 losses. She amassed 1883 strikeouts while pitching in 1987 innings. Shelley competed in seven national championships and was selected to the ASA All-American team three times. Another amazing feat includes Larned having 149 shutouts out of her 230 wins as a pitcher...and 15 were perfect games!

Shelley was a true down to earth individual who will be truly missed!!!
